4. NEW BUSINESS

a. Daras Sewer

Brain Foster went over the next process that would need to be done to move forward with this project, if the council wanted. This would need a survey of the property to determine property lines to write a legal description for the easement for the property owner. Also suggested to call in utility locates along the route and survey those for design later in the process. This would also help to see if we could use KDOT right of way along another property. The anticipated fees estimated cost would be \$7,500 to \$10,000.

Judd McCormack made a motion to move forward with the proposed survey and preliminary plan with BG Consultants on Joe Johns property for the Daras sewer extension.

Spencer Parsons seconded the motion.

Motion carried with 3 Aye 0 Nays

b. Bank Account Information

The council was informed that we have a business checking account with Bank of the Flint Hills that goes dormant each month with causes a \$5 fee. It was suggested that we move the account from business checking to a Money Market to earn interest.

Judd McCormack made a motion to switch the account to the Money Market account.

Tim Pralle seconded the motion.

Motion carried with 3 Ayes 0 Nays

5. ADJOURNMENT

Spencer Parsons made a motion to adjourn.

Judd McCormack seconded the motion.
